

Extended Provision.

Our extended provision has been running since 2004. It began with just a lunch club, and at that time approx 6 children attended, in the summer term of 2011, our final term offering lunch club as an extended provision, 30 plus children attended most days. Lunch is now included in your child's nursery session.

Since lunch club began, we have extended and developed the extra provisions we offer to include: an Early Morning Drop Off Club, Silver Circles and Holiday Playschemes. On top of that we offer a range of after school clubs that run over the course of the school year and include; a Football club, Music club, Cooking For Fun, Creative Kids Club, Dance Club and a Forest club.

The Early Morning Drop Off Club is available at 2 start times: 8.30am start and a new earlier time of 8.15am. This provision is very popular with working parents and also with families who have older children attending other schools. The Drop Off Club is very informal with a range of quiet and relaxing activities on offer.

Silver Circles is the name we give to the provision that wraps around the nursery sessions. It is available from 9am each morning if your child attends the afternoon nursery session and from 12 o'clock lunchtime if your child attends the morning nursery session.

From September 2011 the afternoon Silver Circle session has extended its finish time. Previously the session finished at 3.30pm and that is still available, however you can extend your child's provision until 4.15pm. If your child attends the afternoon nursery session, which finishes at 3.30pm, you do also have the option of popping your child into the later Silver Circle session and collect them at 4.15pm.

Silver circles offer the children the opportunity to participate in a range of fun activities, make new friendships and reinforce those made during the normal nursery session.

All the after School Clubs are run by either nursery staff or fully trained external professionals who have current CRB checks in place. The clubs vary slightly in the times they run but most operate after school, one night a week for a period of half an hour and run in 5 week blocks. There is a small charge for these.

The Holiday Playscheme runs for one week during the summer holidays. It is available each day from 9.00am til 3.30pm and is run by nursery staff who offer the children a programme of planned fun activities based around a different theme each day.

We also offer a Playscheme during most half terms and other school holidays.

Please see the school website for more details and photographs.
