

Holiday Play Scheme.

Holiday playschemes are available to all 'age appropriate' children attending the nursery.

The summer holiday playscheme runs for one full week during the summer, usually the first full week of the summer holidays and is staffed by staff from the nursery.

The half term playscheme runs for one full day each half term and is also is staffed by staff from the nursery.

The playschemes run from 9.00am until 3.30pm and the children bring along a packed lunch.

The playschemes are always very popular and offer a wide range of fun activities both inside and out with a different theme each day.

Information and booking forms are sent out usually three weeks before the each playscheme giving information on themes and the booking procedure.
