

Holiday Play Scheme.

For many years we have been running very successful and fun holiday play schemes and offer a playscheme during most of the school holidays.

The summer holiday playscheme runs for one or two weeks during the summer, usually during the first weeks of the summer holidays. It is operated and staffed by staff from the nursery. The half term playschemes run for one day over the half term and is again staffed by nursery staff.

The playschemes run from 9.00am until 3.30pm on each day and the children bring along a packed lunch. Each day has a special theme and activities are provided around the theme.

The playschemes are always very popular and offer a wide range of fun activities both inside and out.
