

Extended provision  
Dropping off and collecting your children.

Extended provision base rooms are located in the newer part of the nursery accessed via the doorway on the right as you walk up the nursery path under a covered way.

**Early Drop Off Club, 8.15am and 8.30am.** Please ring the door bell on the right of the covered entranceway doorway, not at the main entrance, and a member of staff will let you in.

**Silver Circles, 12.30pm and 1pm** collection times only. Please ring the doorbell on the right of the covered entranceway doorway and a member of staff will let you in. Remember to still go to the main entrance to sign your child out and collect any work they have to go home.

**Silver Circles collection at 3.30pm** please wait under the covered entranceway until the door opens. The children will be seen out to you from the library/silver circle base room.

**If you are collecting between 1.30pm and 3pm or for the 4.15pm** collection time, please report to the main entrance.

Many Thanks.
