

Extended Provision.

We have been delivering extended provision here at the nursery since 2004. Since this time we have extended and developed the extra provisions we offer to include: an Early Morning Drop Off Club, Silver Circles, which is the name with give our wrap around care and Holiday Playschemes. On top of that we offer a range of after school clubs that run over the course of the school year and include; a Football club, Music club, Creative Kids Club, Dance Club, Storytelling and a Forest School club.

The Early Morning Drop Off Club is available at 2 start times: 8.00am or 8.30am This provision is very popular with working parents and also with families who have older siblings attending other schools. The Drop Off Club is very informal with a range of quiet and relaxing activities on offer ahead of your child's nursery session.

Silver Circles is the name we give to the provision that you can access for your child that extends your child's day past their nursery session finish time. It is available after your child's nursery session finishes and is available until 5pm. You can book your child in for hourly slots right up until the 5pm finish time. Costs for these sessions are available upon request.

Silver circles offer the children the opportunity to participate in a range of fun activities, make new friendships and reinforce those made during their usual nursery session. It gives the children continuity of care during the day blending nursery education and childcare seamlessly and gives parents the option of accessing longer hours for work or social commitments.

All the after School Clubs are run by either nursery staff or fully trained external professionals who have current DBS safeguarding checks in place. The clubs vary slightly in the times and cost and presently these operate after school, one night a week for a period of half an hour and run in 5 week blocks. There may be a change ahead regarding the delivery of these but we will keep you fully informed.

The Holiday Playscheme runs for one week during the summer holidays. It is available each day from 9.00am til 3.30pm and is run by nursery staff who offer the children a programme of planned fun activities based around a different theme each day.

We also offer a Playscheme during most half terms and other school holidays. These playschemes are for one full day during the playscheme week.

Please see the school website for more details and photographs.
