

# Chocolate chip cookies

## What you need:

120g self raising flour

90g margarine

60g caster sugar

60g chocolate chips

## What to do:

1. preheat oven to 180 c / gas mark 4
2. cream margarine and sugar together in a bowl
3. beat in the flour and chocolate chips to make a dough
4. roll dough into small balls and place on a greased baking tray
5. cook for 15 minutes or until golden

## Mix it up:

Crush up a tube of smarties and use instead of chocolate chips.
