

Weston Way Nursery Newsletter

A little note from Mrs Nichol

We hope you all had a happy and sunny half term with your families and have made some wonderful memories to treasure forever. We were very excited to welcome back our local gardener, 'Annie', who has led some gardening sessions with two groups this week and will continue over the coming weeks to garden with all of the children. It was a pleasure to be able to welcome a member of our local community into our nursery space.

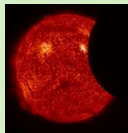

I would like to say a BIG thank you to our staff who are also working hard to develop our outside area. Please ask your children: "What is new in the woods?"

Photo of the Week

Partial Eclipse

Thank you to Joshua's Grandad for sharing his scientific knowledge with yellow and blue group this week as they learnt about Thursday's partial eclipse. Joshua's Grandad explained it as "when the moon moves in front of the sun it take out bites" and what better way to demonstrate this than a jaffa cake! Thank you Joshua's Grandad!

Feeling Good Weeks (7 June to 18 June)

We are fortunate to have secured funding towards our feeling Good Weeks at the start of this half term and have been able to purchase some new musical instruments for our woodland.

Some have arrived already and we are having lots of fun making music for other children who are performing on our grassed stage area. Other activities this week have included making fruit salad, fruit printing and yoga in the garden. The children have been exploring their senses with a listening walk and the natural environment.

A moment of Reflection

How important are your senses?

What impact do they have on your life?

Stop & Notice...
