A little note from Mrs Nichol

Here we are at the end of the Summer term and how quickly it has flown by. Personally, I have to say what a pleasure it has been to get to know you and your children over the past term. You have made me feel so welcome and for that, I cannot thank you enough. We hope to see you

Nightingale Community Garden

During the past half term, the children have been planting flower seeds with Annie from the Nightingale Community Garden in Baldock. Once the seeds have germinated, Annie and the nursery staff will take them to the community garden where they are planted. This is a lovely experience for the children. Many thanks to Annie for her time and explaining to the nursery children.

A moment of Reflection

Which fond memories will you take with you from Weston Way Nursery?

Euro; 2021

It was with a heavy heart that we saw England leave the Euro 2021 competition. It was a remarkable achievement for such a young squad to reach this stage and to do so with real composure. It was to Italy who sealed England's fate as Italy saw themselves crowned champions after a very tense penalty shoot out.

This meant that GREEN group were our overall champions at the nursery as they had been tracking them throughout the competition. On Wednesday afternoon, they won a football training session with Mrs Nichol. Here are just a few of the photos which show what fun we got up to:

Belongings

Please ensure your child has everything that belongs to them when you collect on Monday as we would hate for you to go without over the Summer holidays, including your Peek-a-boo Photographs.
