

# Weston Way Nursery Newsletter

## A little note from Mrs Nichol

I hope you all found the time to ask your child/ren what has changed outside nursery and therefore gained an insight into our new numbered pathway, grass staging, musical instruments and much, much more. As we continue to develop this area, we have recently sourced two large cable drums which were kindly donated by **Martin Vis from Zion Audio Productions**. They are currently located in the staff car park as they require sanding before use so if you yourself or if you know someone who might be willing to spare some 'sanding' time then please get in touch. Mrs Smith is currently drawing a list of things together which you may be able to help us with very soon...

## Photo of the Week

## Individual Photographs

Hopefully you have received the lovely photographs of your child this week. Please can orders be placed before the 4 July either online or cash / cheque in the envelope provided and returned to the school office. Thank you

## Covid - 19

During these uncertain times and trying to keep everyone safe, if your child displays symptoms of a temperature, a new cough or loss of taste or smell, then please book them a PCR test and self isolate until the results are received.

To book: <https://www.gov.uk/get-coronavirus-test>  
Please send us a copy of the test result upon receipt to ensure we continue to keep our community safe

## A moment of Reflection

As the children prepare for Reception, what can we do to support them at this time of transition?

Please talk to us if you have any worries or concerns that we could help with.

## Euro 2021

This week we have unfortunately seen the loss of the following teams from the Euros:

Turkey, North Macedonia, Russia, Scotland, Hungary and Poland.

But what we did see this week, were some fantastic football themed lunch boxes! Well done to everyone for taking part. Certificates went to Javien, Eddie, Toby and Olivia and here are just a couple of

## Online Safety

Third of 3-4 year olds are accessing the internet in their homes. As parents/carers we therefore play an important role in ensuring that our children are in a safe space to explore their curiosity online.

Setting up appropriate parent controls and privacy settings allows them to enjoy the experience within a safe environment. If you are unsure how to do this then there is a lot of advice online or go

to: <https://www.internetmatters.org/parental-controls/>

## Reminder

The children enjoy having fruit at snack time. Please could you bring in fruit Mondays & Wednesdays. Thankyou

## Diary Dates
