

In the event of heavy snow overnight we would activate our snow closure procedure.

You will receive an e-mail before 8.00 am to inform you of the school closure.

If we have to close the school during the day we will phone you so please ensure work/mobile numbers are up to date.

Please keep an eye on the weather forecast and be vigilant. Use your own discretion as to whether or not you and your child should make the journey to school. Along the same lines, if you feel you need to collect your child early please do so.

It is paramount that we all keep safe during these extreme adverse weather conditions.

The above procedure will be used in the event of any unexpected closure.
